**BUDGET 2026 HIGHLIGHTS**

<b>01.</b>	<b>The Big Picture: What This Budget Is Trying to Achieve</b> This opening article explains the overall thinking of the Budget—growth with stability, reforms over freebies, and long-term planning instead of short-term announcements.	<b>09</b>
<b>02.</b>	<b>Three Kartavya Framework: Growth, Capacity, and Inclusion</b> This article explains the three core duties (kartavya) highlighted in the Budget and how all major policies fit into this structure.	<b>12</b>
<b>03.</b>	<b>Reform Express: Why the Government Is Focused on Reforms, Not New Schemes</b> Covers the idea of continuous reforms, deregulation, ease of doing business, and reduction of unnecessary compliance.	<b>14</b>
<b>04.</b>	<b>MSMEs at the Centre: Creating Champion Small Businesses</b> Explains the new concept of Corporate Mitras, the role of ICAI, ICSI and ICMAI, and how compliance are the backbone of jobs and exports.	<b>16</b>
<b>05.</b>	<b>Corporate Mitras: A New Compliance Support System for MSMEs</b> Explains the new concept of Corporate Mitras, the role of ICAI, ICSI and ICMAI, and how compliance will become more affordable in smaller towns.	<b>18</b>
<b>06.</b>	<b>Manufacturing Push: Where the Government Wants India to Lead</b> Covers key manufacturing areas like semiconductors, electronics, biopharma, textiles, rare earths, chemicals, and capital goods.	<b>20</b>
<b>07.</b>	<b>Infrastructure Spending: Why Big Capex Still Matters</b> Explains the rise in public capital expenditure, roads, railways, ports, logistics, REITs, and how infrastructure supports private investment.	<b>22</b>
<b>08.</b>	<b>City Economic Regions and Urban Growth</b> Discusses the new focus on Tier-II and Tier-III cities, city economic regions, high-speed rail corridors, and urban infrastructure.	<b>24</b>
<b>09.</b>	<b>Defence, Logistics, and Strategic Infrastructure</b> Covers defence manufacturing, logistics corridors, ship repair ecosystems, freight corridors, and strategic infrastructure spending.	<b>26</b>
<b>10.</b>	<b>Energy, Climate, and Green Growth Policies</b> Explains renewable energy, carbon capture, green hydrogen, energy security, and climate-linked investments.	<b>29</b>
<b>11.</b>	<b>AI, Digital Infrastructure, and New Technologies</b> Covers AI Mission, quantum technologies, digital governance, AI in agriculture, compliance, education, and productivity.	<b>32</b>
<b>12.</b>	<b>Services Sector and Job Creation</b> Explains how services like IT, tourism, healthcare, design, AVGC, and education are central to employment and exports.	<b>35</b>
<b>13.</b>	<b>Agriculture, Rural Economy, and Farmer Income</b> Covers fisheries, animal husbandry, high-value crops, agri-AI tools, women-led rural enterprises, and income diversification.	<b>39</b>
<b>14.</b>	<b>Financial Sector Reforms: Banking, Bonds, and Capital Markets</b> Discusses banking reforms, NBFC restructuring, corporate bond markets, municipal bonds, and financial stability.	<b>44</b>
<b>15.</b>	<b>Federal Finance and Fiscal Discipline</b> Explains the 16th Finance Commission, state transfers, fiscal deficit targets, debt management, and Centre-State balance.	<b>49</b>
<b>16.</b>	<b>New Income Tax Act, 2025: A Major Structural Change</b> This is a core article for finance readers—simplified tax law, new forms, ease of compliance, and what changes for taxpayers.	<b>54</b>
<b>17.</b>	<b>Penalties, Prosecution, and Compliance Reforms</b> Explains rationalisation of penalties, immunity schemes, revised returns, updated returns, and reduced litigation.	<b>58</b>
<b>18.</b>	<b>What This Budget Means for Finance Professionals</b>	<b>62</b>
